The only "**Original**" Fortuna's Deli & Caterers, "Home of the Godfather hero," still located in the Greens Farms section of Westport. Serving and catering food to the community for more than 40 years, WOW!

Our Family Business has been operating since 1975 and now continues to operate under second generation hands, keeping tradition and family within. Over the years, it has been a neighborhood stop, whether it be starting the day perhaps with a "Big Breakfast," sitting down for lunch and watching the news while satisfying your afternoon craving for a tuna wrap or meatball parm, then to end the day with our traditional family style ziti dinner. We have enjoyed it all together. We wouldn't have been able to do it without you, our customers, our friends!

Throughout the years, it has been our pleasure to serve you and cater all your special events. We look forward to our continued relationships as we usher in new generations. So, with our deepest and most sincere gratitude we want to say "**Thank you,**" from our family to yours!

See you tomorrow!
